

Maine Aug 17th 1859-

Hon. A. B. Moore.

Dr Sir. The case of Solomon
E Robbins who is in the penitentiary for stealing
a horse in Coosa County has been brought
to my attention by Messrs Alex Smith
& Thomas Smith and from facts
that have been brought to light
since his conviction, I am satis-
fied that he is a suitable object
for Executive clemency. He plead
guilty on the trial and being quite
young and his relatives taking
no interest in him, accounts that
-led for his not making a defense
at the time - In view then of
all the circumstances I have
respectfully ask that you pardon
him -

Very yours
G L Thompson
