Gov A B Moore

Dear Sir.

We have
organized a Cavalry Company at
Hemphills & Roods Dallas County.
By the name of the Lone Star
Cavalry Company. Enclosed you
will find a list of names which is
a correct copy of the roll of the
Company - with the officers designated
The men composing the above
Company live in the Counties of
Perry and Dallas. We do not
know whether such a company
is strictly legal - but may it not
be legalized by an application
to the legislature for a charter if
we obtain a ~~charter~~.

If a company organized as above
stated, can obtain commissions
Please consider this an application

and let us know immediately
whether or not we ~~can~~ obtain
Commission and Arms from
the state, under the circumstances,
as some few of us wish to attach
ourselves to another company - if we
cannot as I have stated.

yours most Respectfully
