

State of Alabama
Loudes County
June 4th 1858

Gov. A. B. Moore

The undersigned
Citizens would respectfully bring
the case of the Constrict Deaf and
Blind to the notice of Your
Excellency & do hereby intreat you
to release him from the remainder
of the term to which he is sentenced
in the State Prison. Although guilty
& justly sentenced we think he has been
sufficiently punished and as he has a family
depending on his exertions for support and as
we are assured the individual against whom
he committed the trespass is satisfied we
think the public can sustain no injury
and do heartily recommend him to your
mercy.
