

To His Excellency Andrew B. Moore
Governor of the State of Alabama

Your petitioners, citizens of the County
of Choctaw who witnessed the trial
of Archibald Thompson at the
present Term of the Circuit Court
of said County, charged with the
murder of Daniel Frisbie, and
thru his acquaintances who did
not hear said trial, humbly
represent to your Excellency that
from the doubt still existing as to
the real guilt of said Thompson,
and our account of his previous good
character as a peaceable man, and
his advanced age, and physical
infirmities, public justice and
the cause of humanity would
not be promoted by his confinement
in the Penitentiary, We therefore
humbly petition that he may
be pardoned by your Excellency,
March 12. 1858
