

McClellan, Marengo Co.

Jan. 28th 1865 [1864?]

His Excellency

Gov. Watts

Montgomery

Dear Sir,

Your favour of the 7th Inst. from some cause did not reach me until yesterday.

Enclosed you will find instructions to me from F. S. Brown Ch. Agt of Imprisonment not to send the negroes to Mobile from Marengo, which had been previously ordered.

At your request I will continue to act as imprisonment agent for Marengo, although, I am extensively engaged in the practice of Physic, and have but little time to devote to its duties. I am, Very Respectfully
James S. Browder
