

Mobile March 27. /61.

His Excellency
A. B. Moore
Cincinnati

I advised by Telegraph of
the action of the Bank of Mobile & Southern
Bank. in depositing Fifty Thousand
Dollars each to the credit of J. B. Gayles
Treasurer... The Bonds to be issued
under the ordinance of the Convention
are to be placed in possession of those
Banks. as soon as convenient for you to
have them ready — I deposited
with each Bank one hundred thousand
Dollars ^{of State Bonds} & will hand you their receipt
on my arrival.

It will doubtless be
satisfying to learn that an additional
sum could have been disposed of
to other parties; The Semiannual
Int. payable 1st April & 1st Oct of
each year. is an inducement to invest

Very Respectfully
Yours &c. &c.
Edw. Garrison
