

DeKalb Co., Ala., Apt. 1859.
To His Excellency, A. B. Moore,

Gov^t of the State of Ala.

The undersigned, citizens of said County, & members of the bar practising at said Court, would respectfully represent to your Excellency that at the last term of the Circuit Court of said County, Remben J. Malone, pleaded guilty to a charge then pending against him in two certain cases, for selling ^{spirits & liquor} to a student. We would say that Mr. Malone, is a highly respectable, moral & upright citizen, and that we are satisfied he violated the law in this particular instance through "misapprehension," Mr. Malone but a short time before the finding of the indictments, became a citizen of this State & was ignorant of the Statute on the subject of selling liquor to students, besides we are satisfied from reliable authority that the young men to whom it was sold, were only occasional students at the time. We think this is a case that would call for the interposition of your Excellency's clemency, and we therefore pray your Excellency to remit said fines of \$50⁰⁰ in each of said cases.
