Dr Sir: A Judgment final was taken at our last Fall Court against one Leah Davis on for perjured recognizance, and I am now satisfied that there was a mistake or error in taking the judgment and I am desirous that the fine should be permitted. It appears that I had committed to let the case lay over until next Spring Court, and as the Criminals at last Term was hurriedly over, I overlooked the agreement I had made with the Council for Davis and made the Judgment final for three months. I wish you to permit the fine. yours truly
