His Excellency  
Andrew B. Moore  
Montgomery  
Canada  
Sir

At  
the request of many of the friends of  
Mr Lewis Bishop, I enclose the  
within Certificates of the Physicians of  
our Town, who are acquainted with  
Mr Bishop & his Condition; each of wh-  
om, is prominent in his profession.

I will also take occasion to say that  
Mr Bishop forwarded to you the same  
Character of Certificates 10 days ago;  
but Genl. Watron of our County, infor-  
med him, that he had had a Convers-  
ation with your Excellency, in Montgomery  
some days since, in which you had  
said, that you had never read, the  
Certificates - The present Condition of  
Mr Bishop is very delicate indeed;  
hence he beseeches your Excellency to  
take some immediate & prompt action

in releasing him from his Term of Con-  
finement.

If in any particular the en-  
closed Certificate, or directions or not  
full enough; the defect has only to be poi-  
nted out, to be amended "instantly".

I beg leave, in behalf of our  
Bishops, to refer your Excellency to  
the Hon A. J. Walker & the Hon Saml,  
A. Rice of your City -

Most respectfully  
Your Obedt Servt,

James B. Martin Jr.
