

DeKalb Co. Ala. Aug. 1859.

To His Excellency,

A. B. Moore, Governor of the State.

The undersigned, citizens of said County, would most respectfully represent to your Excellency, that at the Spring term of the Circuit Court for said County, an indictment was preferred against Solomon M^cCampbell, for retailing to a Student. M^cM^cCampbell pleas guilty to the charge, & was fined by the Court the sum of Fifty Dollars. We would pray your Excellency to remit said fine. Mr. M^cCampbell, at the time was a licensed retailer, and we are satisfied that he was ignorant of the fact that the young man to whom he sold the liquor, was a student, at the time it was sold. Mr. M^cCampbell bore the character of an honest, upright and law abiding citizen, and we believe he violated the law in this instance without any intention of doing so, we hope therefore your Excellency will

remit said fine. Mr. McCampbell
has since died, and leaves connections
who will be the sufferers, if said
fine has to be paid. We hope
your Excellency, will remit all, or
the larger portion of said fine, and
we assure you it will be very
acceptable to the people of this
County.

Respectfully &c.
